

# Directions to Merrill Dunes

Valley Road connects to Circle Drive West and to the South Bridge East. The Chappell Yard rail lines are totally bypassed.

It is about 12 km from the Circle Drive exits to the Merrill Dunes parking lot. There are direction signs at each intersection where you need to make a turn.

If you are arriving from the west on #7, see direction note below.

Just after passing through Vanscoy on #7 Hwy you come to Minnesota Rd and then Wild Rose Road. It is 97 km from Rosetown to this turn.

Turn right (east) on Wild Rose Rd and proceed to #60 Hwy which is 7.5 km from #7. Wild Rose Rd and Chennels Rd are both TWP Rd 354. See the map for details and turn left on Range Rd 3063 and proceed to Merrill Dunes. #7 Hwy to Merrill Dunes is 11.4 km.

As you travel east on TWP Rd 354, be carefull as you cross Rg Rd 3070 as it is a blind intersection with yield signs on 3070.

An alternative route is via the Vanscoy Hwy. It is paved and perhaps a bit safer. Wild Rose and Chennels are gravel. Turn right onto the Vanscoy Hwy just before you enter the town of Vanscoy.
